that can be obtained at home and abroad have been carefully tested side by side and the "PERFECTION IN PANSIES" have been selected and included in this list, leaving out all the inferior stocks and varieties that only exist in name.

**SYNONYMS.** Much Pansy seed offered under fancy names turn out to be identical with other old and standard kinds. We have eliminated all such, and offer only distinct varieties under the plainest names generally known and accepted by the largest growers.

**QUALITY.** Only the best and purest seed that can be obtained are used for seed stock from which to grow our supply, by Pansy specialists, on special Pansy soils.

**QUANTITY.** We have the largest and most complete assortment of Pansy seed offered, and annually handle more pounds of Florists' Pansy Seed than any half dozen seed houses put together in this country, and hence, offer many kinds that cannot be had elsewhere.

**PERFECT SATISFACTION.** We furnish many thousand Florists with their entire supply every year, with perfect satisfaction. To those who never planted our seeds, we suggest that they take advantage of the **SPECIAL FEATURE** which we inaugurated in 1892, and order our

for 1897, much improved, but still offered at the old price \$1.75. It comprises one regular packet each of 125 seeds (in all 7500 seeds), of the sixty kinds and strains enumerated in Section 2, on next page. The actual value of this collection of sixty packets at our reduced list price is \$3.28, and at the regular seeds-men's prices would cost over \$6.00, and at other Pansy specialist's 1000 seed rates, for mixtures would cost over \$4.00. Our net price is only \$1.75, prepaid.

# THE BEST PANSIES FOR FLORISTS.

## 2709. NEW BUTTERCUP BLEND.

This is an extra mixture of yellow and golden flowering kinds selected from all races, and is grown and treated the same as 2632 to secure uniform quality. We guarantee that every plant will produce flowers with yellow or gold in them—from solid yellow in different shades to spotted, marbled, blotched and banded flowers in fire and gold. Where the fashion requires yellow in pansies, this is the best for florists' use and far ahead of the yellow kinds offered for this purpose, it being so varied in the shades and colors of yellow and gold. Price of seed, prepaid, packet, 125 seeds, 8c. Trade packet, 2,000 seeds, 60c. Trade packet, 5,000 seeds, \$1.20. Ounce \$3.00.

**2632. NEW YORK GIANT MARKET BLEND.**—A mixture of robust, hardy, free-flowering giants of fine colors, with a good percentage of yellow, blotched, and light grounds. Who need a real first-class stock and yet compete with their rivals on moderate prices. Trade packet of 5,000 seeds, \$1.00. Ounce, \$2.50.

NEW YORK IMPROVED FANCY SHOW BLEND.**—For variety of color, shades and markings, it has no equal, as it is made up, after harvest, from 35 best and newest colors, besides over a dozen celebrated strains and mixtures selected from all classes and races, with the principal object of getting the best bloom of extra substance and perfect formed giants in the choicest dark colors and shades. Over 100 distinct colors and markings are produced from this blend, many of which are exhibition and therefore it is the best *High Grade Florists' Mixture* ever offered. We have many customers who write that this blend produces better and more colors than the \$8.00 to \$12.00 mixtures offered by seedsmen. We have again improved it by adding several new colors this year, but keep to the popular old price of 125 seeds, 10c. Trade pkt. 2,000 seeds, 80c. Trade pkt. 5,000 seeds, \$1.60. Ounce, \$4.

**2737. PRIZE MEDAL AWARD.**—We offer this mixture to fill a demand for strictly fancy exhibition prize stock, and recommend it to those who wish to exhibit at high class shows or those who take great pains in the growth and development of the Pansy. It is made up from seed saved from numbered and named prize awarded plants of rare blotched kinds, penciled and marked in greatest perfection, so desirable, yet so difficult to develop. It does not contain any selves or as great a variety of colors as our Fancy Show Blend, No. 2710, and is not intended for ordinary bedding or florists' sale stock, except those who have a critical trade and can get the proper prices. With ordinary care and culture, or with the masses, it will be a disappointment, but under special care and cultivation, mammoth round flowers of surpassing substance and quality will be produced. Packet, 125 seeds, 30 cents. Trade packet, 2,000 seeds, \$2.40. Trade packet 5,000 seeds, \$4.80. Ounce, \$12.00.
